Gin, Champagne, sucre de canne et citron

The background of the entire page is a detailed botanical illustration. It features various plants and flowers in a muted red and green color palette. At the top left, there are long, slender, drooping flowers. To the right, there are clusters of small, round berries or seeds. In the center, there are large, open flowers with prominent stamens. At the bottom, there are more clusters of small flowers and large, broad leaves. The overall style is reminiscent of a vintage botanical field guide or a decorative book cover.
